CoDeSeF

CoDeSeF is a unique Technique developed by Iron Lady that supports you in strategizing towards achieving your BHAG.

Below steps are to be followed to implement CoDeSeF.

Context:

- Set a Big Hairy Audacious Goal for yourself
- Define the capability that you want to develop to reach the goal and sustain beyong

Design:

- Identify the tasks to be performed to achieve the goal set.
- Identify the 20% of the tasks that make the most impact

Sequence and Stakes:

- Identify list of things to get ready for FAIZEN action
- Put something importance at STAKE.

FAIZEN

- Look at the first set of Faizen steps that you need to take to accomplish objective and perform those over a period of time consistently
- Once you master the first Faizen steps, elevate yourself up by a level where you would fail and perform those for a period of time consistently
- Keep repeating the above two steps till you accomplish your BHAG
